The Prayer Time

We will meet for prayer at 7pm in Hall 3 every Wednesday; we will pray for the work and witness of the Church, for the needs of the community and the world, as well as for individual prayer requests. You can access Hall 3 by the door at the East (City) side of the Church building.

The Road to the Cross and beyond!

All of the gospel writers spend more time and write more words about the last week of Jesus' life than any other part, proportionately. We will read John's version of these events, dig beneath the surface, get the feel for the story and learn something of what the story means to us.

Church Wednesday is an opportunity to pray together and learn to understand the Bible together. It is an opportunity to nurture our faith together. Do make use of this opportunity in any way that you are able.
